If You Want to Walk on Water, You've Got to Get Out of the Boat

by John Ortberg

A passionate disciple of Jesus Christ lives a life built upon trusting God and acting on that trust. That means being willing to take risks, to step out of our spiritual comfort zone.

In this book, John Ortberg, one of America's best-selling authors, invites us to consider the incredible potential that awaits us — if we are only willing to take the first step, to take risks, to push forward in faith. Not a blind faith, but a resilient faith grounded in wisdom learned from Scripture and from our most trusted friends and fellow disciples.

If you haven't ever read anything by John Ortberg, you are in for a treat.
